GREETINGS!

We are happy to present the reading list for 2019. Many thanks to the Reading Program Committee and our network of evaluators for their hard work and commitment to bring this list to you.

This year we look at the history between The United Methodist Church, the United States and Native people; Alzheimer's disease; and the importance of wellness in body and spirit. Of course, we continue to look at the quadrennial focuses of economic injustice, the environment and exploration of intellectual and spiritual leadership. And, as always, we walk together on personal journeys of spiritual growth.

Please note that all titles labeled "Kindle" are also available in print. You can purchase these books from United Methodist Women at: unitedmethodistwomen.org/readingprogram. (Links to books will be provided there.)

Electronic books can be read on any device (a computer, smart phone or tablet) and the text can be enlarged to make any Reading Program book readable.

I hope you enjoy this list and continue to read, pray and act.

¡SALUDOS!

Nos complace presentar la lista de lectura para el año 2019. Muchas gracias al Comité del Programa de Lectura y a nuestra red de evaluadoras por su arduo trabajo y compromiso en ofrecerles esta lista.

Este año analizamos la historia entre la Iglesia Metodista Unida, los Estados Unidos y los pueblos indígenas; la enfermedad de Alzheimer y la importancia del bienestar en el cuerpo y el espíritu.

Por supuesto, seguimos teniendo en cuenta los énfasis cuatrienales sobre la injusticia económica, el medioambiente, y el profundizar el liderazgo intelectual y espiritual.

Y, como siempre, caminamos juntas en nuestro peregrinaje personal de crecimiento espiritual.

Tenga en cuenta que todos los títulos que tienen la etiqueta "Kindle" están disponibles también en libros impresos. Puede comprar estos libros a Mujeres Metodistas Unidas en: unitedmethodistwomen.org/readingprogram.

(Allí encontrará los enlaces de internet de los libros.)

Los libros electrónicos pueden leerse en cualquier clase de equipo (ordenador, teléfono celular con internet o tableta) y el texto puede ampliarse con letra grande para facilitar la lectura de los libros del Programa de Lectura.

Los libros sin No. de Orden no se proporcionan a través del Centro de Recursos Misionales.

Espero que disfruten de esta lista y que continúen leyendo, orando y actuando.

ESCAPE FROM THE GREEN MANSION

Christine Taylor
2014
Kindle

unitedmethodistwomen.org/readingprogram

Escape from the Green Mansion is a true story. In the late 1800s thousands of Chinese women sailed to America's West Coast. Many of them were enslaved as soon as they stepped off the freighters and were forced into years of prostitution—the "green mansion." Many lost hope. Many died. But a few of them began to whisper about the "Jesus women." Read about these women and learn about the Methodist legacy and Methodist mission institution Gum Moon Residence in San Francisco.

Chelsea Green, 2017
279 pages

\$20.00

This collection of work is by turn magical, brave, earnest and mournful, but truthful throughout. We humans are in trouble, and because of us, most of our fellow species are also in trouble. To find our way through the ruins and beyond we need more than clever technology and magical markets. We need an alternative to the industrial mindset. We need the kind of diverse, unflinching, ecologically wise imagining gathered in this book.

In the words of the workers, these stories of resistance and rebellion reflect on hope and change as they rise from the bottom up.

With a universal message of hope that continues to resonate, King demanded an end to global suffering, asserting that humankind, for the first time, had the resources and technology to eradicate poverty.
